**FINALLY, YOU CAN SHARE  
THE STAGE WITH MERYL STREEP.**

All the action happens at

## WHAT IS THE STARDRAFT?

Great question. StarDraft is basically fantasy football crossed with Hollywood Awards Season. It's a game for groups and here's how it works:

**FORM A LEAGUE** with friends, family, frenemies, or

**PERFECT  
Strangers**

**DRAFT CELEBRITIES** who are in the hunt for Oscars, Grammys, and other accolades.

(Yes, that means Meryl Streep.)

**SET A LINE-UP** each week, get your popcorn ready, and watch your favorite actors & musicians win awards. Each

nomination or award earned by your celeb, gets you points. It's so easy, even Brad and Leo can do it!

**SLAY YOUR LEAGUE.** If the noms are in your favor throughout the season, at the end of Oscar Night, you'll be crowned league champion.

And if you're the lucky firstborn princess with the highest point total across all our leagues, you'll win a cash prize.

## WHEN DOES IT START?

Typically, we publish our first celebrity rankings in October, leagues are formed & drafts are held in November, and points start to roll in with Grammy nominations around Thanksgiving. But due to COVID-19, there are obviously delays with the Awards Show schedule. So we are pushing our start date back as well.

- December 1st, 2020** Site goes live and first rankings are published.
- December / January** Leagues are formed. Drafts are held.
- January 18th, 2021** Points start with The Critics' Choice nominations

## HOW DO I CREATE A LEAGUE?

There are between 4 and 12 teams in each league. Users have 3 OPTIONS.

### FORM A PRIVATE LEAGUE WITH FRIENDS

If you have a few friends who you think will play, take the lead and invite them through our website. They'll receive a notification in their inbox to join.

### JOIN A PUBLIC LEAGUE

If you don't have a Ross, Rachel, Monica, Chandler, Phoebe or Joey in your life, you can still play StarDraft. Join a public league and pick the one with the most convenient draft time for you.

### PUBLIC/PRIVATE HYBRID LEAGUE

If you only know of one or two other people who would like to play, all of you can arrange to all join the SAME public league. Or you can set form a private league to PUBLIC and allow new friends to join!

No matter which option you choose, your team will still qualify for our end of season prize.

## AND THESE POINTS?

Celebs earn points anytime they or their project earns noms and awards. Sound like a lot to keep track of?

Don't worry, EGOT you.

We publish a rankings of how each celebrity projects to do before you even draft. We update the rankings throughout the season to give all our users an idea of who is rising and who is falling.
